1966

Presented by . . .
THE EAGLE STAFF
Allen High School
Allen, Texas

DEDICATED IN MEMORY OF

MR. H. E. HEFNER

We, the Eagle Staff of 1966, proudly dedicate THE EAGLE '66 in memory of Mr. H. E. Hefner, President of the Allen School Board.

"Hef", as he was fondly known to all, devoted many years to the service of his community. During the past 11 years he served as a trustee of the Allen School Board, and his time and talents were directed toward making possible the fine education the youth of Allen now receives. He showed us by his own example that devotion to duty, interest, cooperation, and hard work, are indispensable to the growth and success of a school system.

By dedicating this annual to his memory, we take this means of expressing our appreciation for one who gave so unselfishly of his time and efforts to the advancement of the Allen Schools.

Our personal loss is shared by the students of Allen Schools, the School Board, the community, and the friends of Mr. H. E. Hefner.

OUR BOARD OF EDUCATION . . .

1965-1966
EXECUTIVE BOARD:
H. E. Hefner,
President
T. H. Ereckson,
Vice-President
G. W. Rutherford,
Secretary
D. L. Rountree,
Superintendent

We are very proud of our hard-working school board members who are so vitally concerned with providing the best education possible for the young people of the Allen School District.

The Allen Board of Education, with the help of the P. T. A., has recently completed a concession stand and rest rooms near the football field. Future plans call for a full-time librarian, and the inclusion of a foreign language course in the curriculum. Building plans include a cafetorium for the high school, and the addition of 8 rooms for the Elementary-Junior High School.

SUPERINTENDENT'S MESSAGE

D. L. ROUNTREE

Thank you Annual Staff, faculty members, student-body, and parents for your cooperation in this school year.

Seniors of '66"--whatever you accomplish in life depends on you. Have a plan so that you may fulfill your aims with ambition and dreams with determination. Be honest and decent in your dealings with your fellowman. Remember, you have responsibilities as an individual so that you may stand straight and tall, at peace with yourself and with God. The past is our servant, giving experiences and wisdom, preparing us so that we may better deal with tomorrow. None of us knows what the future will bring, yet, most of us waste time explaining why we have not yet gotten around to doing things that we could put into action by doing them. Let's take the present, use it, rejoice in it, live every golden minute, remembering the promise given us in Phillippians 4:13--"I can do all things through Christ which strengtheneth me."

Dear Joyce:

Thanks for inviting me to be the lucky one to select the most beautiful girl and the most handsome boy in Allen High School.

One thing that will gratify me above all will be the thought that the pictures sent to me will be those of youngsters who remained in school, whatever the pressures instead of becoming drop-outs. From that standpoint, you're all beautiful.

Send the pictures to me at my office at 503 W. Larchmont Boulevard, Los Angeles 4, Cal.

Regards,

Dan Blocker.

The publication of the 1966 EAGLE has been a pleasure and a challenge to all of us.

Our thanks go to everyone who has helped us, for it was through the co-operation of the faculty, students, and those who so generously gave their support through advertisements that this edition of the EAGLE was made possible.

We have tried to perpetuate within these pages memories of classmates, teachers, and activities, and all that has been a part of our school life at A H S during the past year.

THE THRESHOLD

"Whether it be a job, business or technical school, or college facing you, the (almost) make-believe world of school is ending for the Class of '66". Life 'as she is lived' lies through the door you will open this year. Good luck--and may you ever take advantage of all your real opportunities". . .

Well I guess this'll be the last time I'll sign your annual, it's all over for me (Thank God). You a great guy and you deserve every thing you can get.

I've really had a blast this year, knowing you and your family.

Be good! + stay out of trouble. Watch yourself. You friend.

Dear Rob -
You are a good friend of mine and we have had a lot of good times together. We go hunting just anywhere we please and kill ourselves on the grapes. (Ha Ha Ha)
I love you more than you know. Your blue eyes and that figure of yours really turn me on. Getting serious though, I truly hope our friendship lasts forever and we have as many good times in the future as we have had in the past.

You are my best friend. Love always

Rob-

school this past year
with you. BUNCE

Dearest Bob,

To the nicest boy I have ever met.
You are the reason for me living, and
I don't mind telling you so. You are the
most important part of my life, and
I hope you always will be. I know
if it is up to me you'll always be mine.
Since we have been going together, I
have had more fun (with you) than
I have ever had before in my life.
I hope we can keep on having fun,
forever. You know how I feel about you,
and I hope you feel the same. I wish
you the best of luck in the future,
with anything you decide to do. And I'll
just have to cross my fingers, hoping
that you'll decide in my favor.

With all my love,
Beverly
